Deferred Tax (Liability)/ Asset	202.94	339.22
<b>Profit /(Loss) for the year</b>	<b>3156.57</b>	<b>4173.36</b>

**2) PERFORMANCE REVIEW/ STATE OF COMPANY'S AFFAIRS**

Your Company is primarily engaged in the grinding and manufacturing of cement and is currently expanding through the execution of various projects aimed at increasing production capacity and improving operational efficiency. The Board of Directors strongly believes that these strategic initiatives will significantly strengthen the Company's market position and contribute to sustained growth in the coming years.

During the year, the business environment remained challenging due to increased regulatory pressures. Despite these headwinds, your Company has actively navigated these challenges to strengthen the fundamentals of the business.

The Financial Year 2024-25 was an extremely active and transformational period for your Company. A strong focus was placed on compliance, operational efficiency, and capacity expansion, laying a solid foundation for sustained growth.

**Financial Highlights - FY 2024-25;**

*(Rs. In Lakhs)*

PARTICULARS	2024-25	2023-24
<b>Total Revenue</b>	<b>30,493.53</b>	<b>28,051.36</b>
<b>Profit After Tax (PAT)</b>	<b>3,156.57</b>	<b>4,173.36</b>

### **3) SHARE CAPITAL OF THE COMPANY**

During the Financial Year 2024-25 the Authorized Share Capital of the Company was increased from ₹ 15,00,000/- (Rupees Fifteen Lakhs Only) divided into 150000 (One Lakh and Fifty Thousand) Equity Shares of Rs. 10/- (Rupees Ten) each to ₹ 10,00,00,000/- (Rupees Ten Crores Only) divided into 10000000 (One Crore) Equity Shares of Rs. 10/- (Rupees Ten) each pursuant to the resolution passed by the members in the general meeting held on dated 25<sup>th</sup> September, 2024.

The Paid-up Share Capital of the Company as at the beginning of the Financial Year was ₹15,00,000/- (Rupees Fifteen Lakhs Only) divided into 150000 (One Lakh and Fifty Thousand) Equity Shares of Rs. 10/- (Rupees Ten) each.

Subsequently, the company allotted 7500000 (Seventy-Five Lakh) equity shares of Rs. 10/- (Rupees Ten) each as bonus shares to the existing shareholders in the proportion of 50:01 equity shares held pursuant to the resolution passed by the members in the general meeting held on dated 02<sup>nd</sup> December, 2024.

Further, pursuant to the approval of the Board of Directors in its meeting held on 12<sup>th</sup> December, 2024, the Company allotted 6,12,000 shares of ₹ 10/- each at a premium of ₹ 1,624 per share in tranches on right issue basis resulting into increase in the paid-up share capital of Company to ₹ 8,26,20,000, representing 82,62,000 equity shares of ₹ 10/- each.

Subsequently, following the Board's approval in the meeting held on 22<sup>nd</sup> March, 2025, the Company allotted a further 5,00,000 right shares of ₹ 10/- each at the same premium of ₹ 1,624 per share in tranches.

As a result of these allotments, **the paid-up share capital currently stands at ₹ 8,76,20,000** (Rupees Eight Crores Seventy-Six Lakhs and Twenty Thousand only), comprising 87,62,000 (Eighty-Seven Lakh Sixty-Two Thousand only) equity shares of ₹ 10/- each.

### **4) TRANSFER TO RESERVES**

During the Financial Year ended 31st March, 2025, no amount has been transferred to General Reserves of the Company.

### **5) DIVIDEND**

Your Company is rapidly making efforts for its overall growth & expansion. Towards attainment of this goal, your Company is incurring capital expenditure on an ongoing basis for upgradation of its existing facilities and establishing new projects. The internal accruals are ploughed back to partly fund the ongoing expansion and investment projects. In view of this, the Directors do not recommend any dividend for the financial year under review and do not propose to carry any amount to reserves.

### **6) FINANCE**

During the year under review, The Company availed an overdraft facility of ₹ 3,01,50,000 (Three Crore One Lakh Fifty Thousand) from HDFC Bank Ltd against Fixed Deposit amounting ₹3,35,00,000 (Three Crore Thirty-Five Lakh).

Further, during the financial year 2025-26, the Company secured another overdraft facility ₹2,02,50,000 (Two Crore Two Lakh Fifty Thousand) from same bank i.e. HDFC Bank Ltd., against Fixed Deposit amounting ₹ 2,25,00,000 (Two Crore Twenty-Five Lakh).

**7) WEBSITE OF ANNUAL RETURN, IF ANY**

The Company does not have any separate official website during the year under review. Therefore the Annual Return of the Company as on March 31, 2025, required under Section 92(3) of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 as amended from time to time, is available on the parent company's website at <https://www.kanodiacement.co.in/financial-reports> .

**8) DETAILS OF HOLDING COMPANY**

M/s. Kanodia Cement Limited, the parent or holding company of M/s. Kanodia Cem Private Limited holds entire share capital and 100% control over company's operations, policies, and management.

**9) DETAILS OF SUBSIDIARIES, JOINT VENTURES & ASSOCIATE COMPANIES AND THEIR AUDITED FINANCIAL STATEMENTS**

Yogendra & Associates**, Cost Accountants (FRN-101290), as Cost Auditors of the company to conduct the audit of cost records of the Company for the financial year 2024-25. The report from Cost Auditors does not contain any qualification or negative remarks.

**22) COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND GENERAL MEETING**

During the year under review the Company has complied with all the applicable Secretarial Standards issued by the Institute of Company Secretaries of India for Board Meeting (SS-1) and General Meeting (SS-2).

**23) COST RECORDS**

As per section 148 of the Companies Act, 2013, read with the Companies (Cost Records and Audit) Rules, 2014, your Company is in compliance of maintaining cost records.

**24) PARTICULARS OF FRAUD REPORTED BY AUDITORS**

In terms of the provisions of Section 134 (3) (ca) and Section 143 (12) of the Companies Act, 2013, the Auditors have not reported any instance of fraud having taken place during the year under review.

**25) CORPORATE GOVERNANCE**

The Company is committed to maintain the highest standards of governance and has also implemented several best governance practices. These include establishing a qualified and diverse board, creating extensive risk management frameworks, and improving internal controls and audit functions. The Company also ensures regulatory compliance, enhances shareholder rights and engagement and leverages technology for governance automation.

**26) PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186**

Pursuant to Section 186 of the Companies Act, 2013 and rules of the Companies (Meetings of Board and its Powers) Rules, 2014, the particulars of loan and investments made by the company have been disclosed in the financial statements of the Company for the year ended 31st March, 2025. The Company has also complied with all other applicable provisions of Section 186 of the Companies Act, 2013

**27) PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES**

Your Company has historically adopted the practice of undertaking related party transactions only in the ordinary and normal course of business and at arm's length as part of its philosophy of adhering to highest ethical standards, transparency and accountability. In line with the provisions of the Companies Act, 2013 & rules made thereunder, the Board has approved a policy on related party transactions. The particulars of contracts or arrangements with related parties referred to in Section 188 (1) and applicable rules of the Companies Act, 2013 in **Form AOC-2** is provided as **Annexure-I** to this Report.

**28) SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS**

During the period under review, there were no significant and material orders passed by the Regulators or the Courts or the Tribunals impacting the going concern status and Company's operations in future.

**29) DIRECTOR'S RESPONSIBILITY STATEMENT**

In accordance with Section 134(5) of the Companies Act, 2013, your Directors state that:

- a. the preparation of the annual accounts for the year ended March 31, 2025, the applicable accounting standards have been followed and there are no material deviations from the same.
- b. they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as of March 31, 2025, and of the profit of the Company for year ended on that date.

- c. they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- d. they have prepared the annual accounts on a going concern basis.
- e. they have laid down Internal Financial Controls to be followed by the Company and that such Internal Financial Controls are adequate and are operating effectively; and
- f. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

**30) CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, ADOPTION AND INNOVATION, FOREIGN EXCHANGE EARNING AND OUTGO**

In accordance with Section 134(3)(m) of the Companies Act, 2013 read with Rule (8) of the Companies (Accounts) Rules, 2014, it is stated that:

**A. Conservation of Energy:**

Conservation of energy is of utmost significance to the Company as company has also engaged in the solar purchase agreements, so constant efforts are made to ensure optimum use of energy by using energy efficient computers/laptops, processes and other office equipment; regular maintenance and up keeping of existing electrical equipments to minimize breakdowns and loss of energy.

**B. Technology Absorption:**

The Company has taken all necessary steps for the effective absorption and adaptation of the latest technologies relevant to its operations.

**C. Foreign Exchange Earnings and Outgo:**

During the year under review, the Company did not have any foreign exchange earnings or outgo.

**31) PERFORMANCE EVALUATION**

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out annual evaluation of (i) its own performance; (ii) Individual Directors Performance; (iii) performance of Chairman of the Board for the Financial Year 2024-25.

The Board's functioning was evaluated on various aspects, including *inter-alia* the structure of the Board, meetings of the Board, functions of the Board, effectiveness of Board processes, information and functioning.

The Directors were evaluated on various aspects such as attendance and contribution at Board meetings and guidance/support to the Management outside Board meetings.

Based on the feedback of the Directors and after due deliberations and taking into account the views and counter views. The Directors expressed their satisfaction with the evaluation process. Further, the evaluation process confirms that the Board continue to operate effectively and the performance of the Directors are satisfactory.

### **32) RISK MANAGEMENT POLICY**

Risk Management is the process of identification, assessment and prioritization of risks followed by coordinated efforts to minimize, monitor and mitigate/control the probability and/or impact of unfortunate events or to maximize the realization of opportunities. The Company has laid down a comprehensive Risk Assessment and Minimization Procedure which is reviewed by the Board from time to time. These procedures are reviewed to ensure that executive management controls risk through means of a properly defined framework. The major risks have been identified by the Company and its mitigation process/measures have been formulated in the areas such as business, project execution, event, financial, human, environment and statutory compliance.

### **33) CORPORATE SOCIAL RESPONSIBILITY**

The company is committed to ensuring that its Corporate Social Responsibility (CSR) activities are focused towards enhancing the sustainable development of our society. The Company has in place a Corporate Social Responsibility Policy pursuant to the provisions of Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021. The CSR policy, inter-alia, deals with the objectives of the Company's CSR initiatives, its guiding principles, thrust areas, responsibilities of the CSR Committee, implementation plan and reporting framework.

During the financial year 2024-25, the Company's CSR obligation amounted to ₹46.76 lakhs, in accordance with the provisions of Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014.

Further, an excess CSR amount spent in the previous financial year, has been set off against the CSR obligation of the current financial year in accordance with Rule 7(3) of the Companies (CSR Policy) Rules, 2014 (as amended).

Accordingly, the Company has met its entire CSR obligation for the financial year 2024-25.

The CSR Annual Report prepared in accordance with the provisions of the Companies Act, 2013 and Companies (CSR Policy) Amendment Rules, 2021 has been appended as **Annexure-II** to this Report.

### **34) DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013**

In compliance with the requirements under Section 134(3)(q) of the Companies Act, 2013, and Rule 8(5)(x) of the Companies (Accounts) Rules, 2014, the Company hereby confirms that the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, have been duly complied with during the year under review.

Annexure- II

**Annual Report on CSR Activities to be included in the Board's Report for Financial Year  
2024-2025**

**Corporate Social Responsibility (CSR)**

**[Pursuant to clause (o) of sub section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]**

**1. Brief outline on CSR Policy of the Company**

The Company has formulated a CSR Policy stated in the link mentioned in the Report pursuant to Section 135 of the Companies Act, 2013 and rules framed thereunder. The Policy is framed for undertaking activities as may be found beneficial for upliftment of the society, environment protection and economic development for the weaker section with preference to local areas and areas near Company's factory sites.

**2. Composition of CSR Committee**

Since a CSR Committee is not applicable to the company, it has not been constituted. The Board of Directors will oversee and execute the responsibilities typically assigned to the CSR Committee.

**3. Provide the details of Impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, if applicable (attach the report). -**

Pursuant of sub-rule (3) of rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, impact assessment of CSR project carried out in the financial year 2024-25 was not applicable on Company.

**4. Details of the amount available for set off in pursuance of sub-rule (3) of rule 7 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and amount required for set off for the financial year, if any-**

### Secretarial Audit Report

For the financial period ended March 31, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

**The Members,**

**KANODIA CEM PRIVATE LIMITED**

Gata No.1140,1142, Village-Nagardeeh,  
Post-Bhadar, Sultanpur, Amethi,  
Uttar Pradesh, India, 227405

CIN: U26999UP2019PTC122527

We have conducted secretarial audit of the compliance of applicable statutory provisions and adherence to good corporate practices by M/s. **KANODIA CEM PRIVATE LIMITED** (hereinafter referred as 'the **Company**'). The secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Kanodia Cem Private Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial period ended on March 31, 2025 (commencing from April 1, 2024 to March 31, 2025), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent based on the management representation letter/ confirmation received from the management, in the manner and subject to the reporting made hereinafter. The members are requested to read this report along with our letter annexed to this report as Annexure - A.

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial period ended on March 31, 2025 according to the applicable provisions of:
  - i) The Companies Act, 2013 (the 'Act') and the rules made thereunder;
  - ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; (*Not applicable to the Company during the audit period*);
  - iii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
  - iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (*Not applicable to the Company during the audit period*).

v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') (*Not applicable to the Company during the audit period*):

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (*Not applicable to the Company during the audit period*);
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (*Not applicable to the Company during the audit period*);
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (*Not applicable to the Company during the audit period*);
- d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (*Not applicable to the Company during the audit period*);
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (*Not applicable to the Company during the audit period*);
- f) The Securities and Exchange Board of India (Registrars to an issue and share transfer agents) Regulations, 1993 regarding the Companies Act and dealing with clients to the extent of securities issued; and (*Not applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent during the Audit period*)
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (*Not applicable to the Company during the audit period*).
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (*Not applicable to the Company during the audit period*);
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015,

vi) The management has identified and complied with the following laws applicable specifically to the Company:

- a) Bureau of Indian Standards Rules, 1987
- b) Factories Act, 1948
- c) The Legal Metrology Act, 2009
- d) Laws relating to prevention and control of Pollution
- e) Laws relating to Employees, Contract Labour, , Wages, Gratuity, Provident Fund, Bonus, Compensation, Employees State Insurance etc.

There were certain instances of slight delay payment of Provident fund , Gratuity ,Statutory dues during the year

We have relied upon the representation made by the Company and its officers and compliance reports from the management for systems and mechanism framed by the Company for compliances of other applicable Act, Laws and Regulations to the Company.

2. We have also examined compliance with the applicable clauses of the following:
  - i) Secretarial Standards issued by The Institute of Company Secretaries of India, with respect to board and general meetings (hereinafter referred as '**Secretarial Standards**'). We noted that the Company is regular in complying with the Secretarial Standards. and
  - ii) The Listing Agreements entered into by the Company with Stock Exchange(s) (*Not applicable to the Company during the audit period*).
3. During the period under review, to the best of our knowledge and belief and according to the information and explanations given to us, the Company has been regular in compliance with the provisions of the Acts, Rules, Regulations, Secretarial Standards mentioned above.
4. We further report that compliance of applicable financial laws including Direct and Indirect Tax Laws by the Company has not been reviewed in this audit since the same has been subject to review by the Statutory Auditors and other designated professionals.
5. We further report that:
  - i) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, non-Executive Directors and Independent Directors.
  - ii) During the financial year Mr. Kunal Agarwal was appointed as Chief Financial Officer.
  - iii) During the Financial year JKVS & Associates were appointed as the company's internal Auditor for F.Y 2024-25
  - iv) During the year Mr. Santosh Ramanuj Tiwari was appointed as Non- Executive Independent director was appointed.
  - v) Adequate notice is given to all directors to schedule the Board Meetings. Notice of Board meetings was sent at least seven days in advance of the meeting and where any Board Meeting was held on shorter notice the same was conducted in compliance with the Act. A system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and for their meaningful participation at the meetings. Decisions of Board/Committee were carried through majority. We are informed that there were no dissenting members' views on any of the matters during the year that were required to be captured and recorded as part of the minutes.
  - vi) During the year, the Company utilized the excess CSR contribution made in the financial year 2023-24. The contribution amount of ₹46.76 lakhs was applied towards the CSR obligation for the financial year 2024-25 and excess fund was carried forward for next Financial year
  - vii) The Company has re-appointed *Yogendra & Associates*, Cost Accountants, as the Cost Auditors for the financial year 2024-25.
  - viii) The Company has undertaken a bonus issue in the ratio of **50:1** (i.e., 50 equity shares for every 1 equity share held).
  - ix) The Company has raised a total amount of ₹100,00,08,000 ( One Hundred Crores eight thousand only) through a rights issue in four tranches. As per the information and

documentation provided by the company the funds raised were utilized for the repayment of unsecured loans.

x) There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

xi) We further report that during the audit period the Company had no specific actions having bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards, guidelines etc.,

### Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS.

### The Secretarial Audit Report is to be read with this letter.

1. The compliance of provisions of all laws, rules, regulations and standards applicable to Kanodia Cem Private Limited ('the Company') is the responsibility of the management of the Company. Our examination was limited to the verification of records and procedures on test check basis for the purpose of issue of the Secretarial Audit Report.
2. Maintenance of secretarial and other records of applicable laws is the responsibility of the management of the Company. Our responsibility is to issue Secretarial Audit Report, based on the audit of the relevant records maintained and furnished to us by the Company, along with explanations where so required.
3. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices followed provide a reasonable basis for the purpose of issue of the Secretarial Audit Report.
4. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company as it is taken care in the statutory audit.

**E-57, Office No-202, Second Floor, West Vinod Nagar, IP Extension, New Delhi - 110092**

**INDEPENDENT AUDITOR'S REPORT**

To  
The Members of  
KANODIA CEM PRIVATE LIMITED

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of **KANODIA CEM PRIVATE LIMITED** ("the Company"), which comprise the Balance sheet as at March 31, 2025, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Information Other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the Information Other than the financial statements and Auditor's Report thereon. The Information Other than the financial statements and Auditor's Report thereon comprises the Director's Report but does not include the financial statements and our auditor's report thereon.

801, Ansai Corporate Park, Tower A I, Sector 142, Noida – 201304, National Capital Region. Ph: +91 120 4216878

Head Office: Kochi

BRANCHES • TRIVANDRUM • KOLLAM • KOTTAYAM • PALAKKAD • BANGALORE • COIMBATORE  
[www.kvac.in](http://www.kvac.in)

Our opinion on the financial statements does not cover the information other than the financial statements and Auditor's Report thereon and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and those charged with Governance for the financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

801, Ansal Corporate Park, Tower A I, Sector 142, Noida – 201304, National Capital Region. Ph: +91 120 4216878

Head Office: Kochi

BRANCHES • TRIVANDRUM • KOLLAM • KOTTAYAM • PALAKKAD • BANGALORE • COIMBATORE  
[www.kvac.in](http://www.kvac.in)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

801, Ansal Corporate Park, Tower A I, Sector 142, Noida – 201304, National Capital Region. Ph. +91 120 4216878

BRANCHES • TRIVANDRUM • KOLLAM • KOTTAYAM • PALAKKAD • BANGALORE • COIMBATORE  
[www.kvac.in](http://www.kvac.in)

2. As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations the impact of which needs to be disclosed in its financial statements;
  - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
  - iv.
    - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities, ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

Referred to in paragraph 1 on "Report on Other Legal and Regulatory Requirements" of our report of even date.

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. According to the information and explanations given to us and based on our examination of the records of the company,
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Capital Work in Progress.  
(B) The Company has no intangible assets. Therefore, the provisions of clause 3(i)(a)(B) of the Order are not applicable to the Company.
  - (b) The Company has a regular programme of physical verification of its property, plant and equipment by which all Property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - (c) The title deeds of all immovable properties (other than leasehold properties where the lease agreements are duly executed in favour of the Company) disclosed in the financial statements are held in the name of the Company."
  - (d) The Company has not revalued any of its Property, Plant and Equipment or intangible assets for the year ended March 31, 2025.
  - (e) There are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) As per our examination of the records of the company and the information and explanations given to us, the inventory has been physically verified by the management during the year. For goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the

physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

iii.

(a) Based on our examination of the books of account and in accordance with the information and explanations provided to us, we note that during the year, the Company has granted unsecured loans aggregating ₹5,242 lakhs to body corporates over which the Company's Key Managerial Personnel exercise significant influence. There is no outstanding balance pertaining to these loans as at the year end. Further, the Company has not made any investments nor provided any guarantees or securities during the year; accordingly, the other requirements of this clause are not applicable.

(b) In our opinion and according to the information and explanation given to us, the terms and conditions of the loans granted during the year are, *prima facie*, not prejudicial to the Company's interest.

(c) The schedule of repayment of principal and payment of interest with respect to loans have been stipulated and repayments or receipts of interest have been regular during the year.

(d) Based on the books of account and other relevant records examined by us, there is no overdue amount remaining outstanding for more than ninety days as on the balance sheet date. Therefore, provisions of the clause 3(iii)(d) of the Order are not applicable to the Company.

(e) According to the information and explanation given to us and records examined by us, no loans granted by the Company which were due during the year and had been renewed or extended or settled by fresh loans. Therefore, provisions of the clause 3(iii)(e) of the Order are not applicable to the Company.

(f) According to the information and explanations given to us and records examined by us, no loans have been granted during the year which was either repayable on demand or without specifying any terms or period of repayment. The Company has not granted any advance in the nature of loan during the year. Therefore, provisions of the clause 3(iii)(f) of the Order are not applicable to the Company.

iv. According to information and explanations given to us and based on audit procedures performed by us, the Company has complied with provisions of section 186 of the Companies Act, 2013 with respect to loans granted during the year. No loan or guarantee or security under section 185 and no investment or guarantee and security under section 186 of the Companies Act, 2013 have been given during the year.

- v. Based on the information and explanations provided to us, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- vi. During our examination of the records, we have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of the Company's product i.e. Cement to which the said rules are applicable and are of the opinion that *prima facie*, the prescribed records have been made and maintained. We have not, however, made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii.
  - (a) According to the information and explanation given to us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Income Tax, Custom Duty, Goods and Service Tax, Cess, and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
  - (b) According to the information and explanations given to us and based on audit procedures performed by us, there are no dues of Provident Fund, Income Tax, Custom Duty, Goods and Service Tax, Cess, and other statutory dues which have not been deposited on account of any dispute.
- viii. Based on our examination of the records and information and explanations given to us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix. Based on our examination of the records and information and explanations given to us:
  - (a) In our opinion the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year ended 31 March 2025.
  - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (c) The term loans were applied for the purpose for which the loans were obtained.
  - (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

[www.kvac.in](http://www.kvac.in)

- (e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures as defined under the Companies Act, 2013. Accordingly, the requirements of reporting under clause 3(ix)(f) of the Order are not applicable.

x.

- (a) According to the information and explanations given to us, the Company has not raised any money by way of initial public offer / further public offer (including debt instruments). Hence, the requirement of reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, reporting requirements under clause 3(x)(b) of the Order are not applicable to the Company.

xi.

- (a) Based on our examination of the records and information and explanations given to us, no fraud/ material fraud by the Company or no fraud / material fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

xii. The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.

xiii. Based on our examination of the records and information and explanations given to us, transactions with the related parties are in compliance with section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable Indian accounting standards. The provisions of section 177 are exempt for the company as the company is a wholly owned subsidiary of a public company and accordingly the requirement of reporting under clause 3(xiii) of the Order, in so far as it relates to section 177 of the Act, is not applicable to the Company, and hence not commented upon.

xiv. In our opinion and as per the information and explanation given to us:

- (a) The Company has an internal audit system commensurate with the size and nature of its business.

801, Ansai Corporate Park, Tower A1, Sector 142, Noida – 201304, National Capital Region. Ph. +91 120 4216878

BRANCHES • TRIVANDRUM • KOLLAM • KOTTAYAM • PALAKKAD • BANGALORE • COIMBATORE  
www.kvao.in

- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us

xv. As per our examination of the records and the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

xvi.

- (a) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) There are no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) (d) of the Order is not applicable to the Company.

xvii. Based on our examination of the records, the Company has not incurred cash losses in the current year and in the immediately preceding financial year.

xviii. According to the information and explanations given to us, there has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios disclosed in the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

**ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT**

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report even date Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to these financial statements of KANODIA CEM PRIVATE LIMITED ("the Company") as of March 31, 2025 in conjunction with our audit of these financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India (ICAI). Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

#### **Meaning of Internal Financial Controls with reference to these financial statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to these financial statements**

Because of the inherent limitations of internal financial controls with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to these financial statements and such internal financial controls with reference to these financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

**1 Reporting Entity**

Kanodia Cem Private Limited ('the Company') is a private limited company domiciled and incorporated in India. The registered office of the Company is at Gata No.1140,1142, Village-Nagardeeh, Post-Bhadar, Amethi, Sultanpur Uttar Pradesh 227405. The Company is principally engaged in the manufacturing of Cement in India.

**1.1 Statement of Compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act 2013, read with Companies (Indian Accounting Standard) Rules, 2015 as amended time to time.

**1.2 Basis of Preparation**

The financial statements have been prepared on a historical cost basis except certain items that are measured at fair value as explained in

- Defined Benefit obligation and plan assets

- Non-current borrowings initially recognised at Fair value and subsequently recognised at amortised cost.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

These financial statements are presented in Indian National Rupee ("₹"), which is the Company's functional currency. All amounts have been rounded to the nearest Rs. In Lakhs, except when otherwise indicated.

**1.3 Use of estimates and critical accounting judgements**

In the preparation of financial statements, the Company makes judgements in the application of accounting policies; and estimates and assumptions which affects carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment and its impairment, valuation of deferred tax assets, provisions and contingent liabilities, fair value measurements of financial instruments and retirement benefit obligations as disclosed below:

**Useful lives of property, plant and equipment**

The Company has estimated the useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

**Impairment**

An impairment loss is recognised for the amount by which an asset's or cash-generating unit's carrying amount exceeds its recoverable amount to determine the recoverable amount, management estimates expected future cash flows from each asset or cash generating unit and determines a suitable interest rate in order to calculate the present value of those cash flows. In the process of measuring the Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

**Valuation of current tax and deferred tax assets**

The tax jurisdiction for the Company is India. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. The recognition of current and deferred taxes that are subject to certain legal or economic limits or uncertainties is assessed individually by management based on the specific facts and circumstances. The Company reviews the carrying amount of deferred tax balances at the end of each reporting period.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

**Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liability may arise from the ordinary course of business in relation to claims against the Company. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events. Contingent liabilities are not recognised in the financial statements.

**Fair value measurements of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including Discounted Cash Flow Model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. Judgements include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**Retirement benefit obligations**

The Company's retirement benefit obligations are subject to number of assumptions including discount rates, inflation and salary growth. Significant assumptions are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss. The Company sets these assumptions based on previous experience and third party actuarial advice.

**2 Summary of material accounting policies**

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

**a) Operating cycle and current versus non-current classification**

Based on the nature of goods manufactured and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/ non-current classification of assets and liabilities.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities respectively.

**b) Property, plant, and equipment**

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2022 measured as per the previous Generally Accepted Accounting Principles (GAAP). Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs and incidental expenses incurred during the period of construction are capitalised up to the date when the assets are ready for intended use.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

**c) Intangible assets**

Intangible assets are stated at cost of acquisition or construction less accumulated amortisation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2022 measured as per the previous Generally Accepted Accounting Principles (GAAP). Intangible assets subsequently purchased are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

**d) Capital work-in-progress**

Capital work-in-progress representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

**e) Depreciation and amortisation of property, plant and equipment and intangible assets**

Depreciation is calculated on Straight Line Method using the rates arrived at based on the estimated useful lives given in Schedule II of the Companies Act, 2013.

Depreciation on all assets commences from the dates the assets are available for their intended use and are spread over their estimated useful economic lives. The estimated useful lives of assets and residual values are reviewed at each reporting date and, when necessary, are revised.

Assets value up to Rs. 5,000 are fully depreciated in the year of acquisition.

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

**f) Borrowing and Borrowing Costs**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of profit and loss over the period of the borrowings using the effective interest method. Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a borrowings that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of profit and loss as other gains/(losses). Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings.

**g) Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

For assets an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

**h) Inventories**

Inventories are valued as follows:

**Raw materials and stores and spares** - Lower of cost and net realisable value. Cost is determined on First In First Out (FIFO) basis which includes expenditure incurred for acquiring inventories like purchase price, import duties, taxes (net of tax credit) and other costs incurred in bringing the inventories to their present location and condition. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost.

**Work-in-progress and finished goods** - Lower of cost and net realisable value. Cost includes direct materials, labour and a proportion of manufacturing overheads.

**Waste** - At net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

Provision for obsolete/ old inventories is made, wherever required.

**i) Revenue Recognition**

Revenue is recognized on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer, which is generally on dispatch/ delivery of the goods.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration and outgoing taxes on sale.

Variable consideration - This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Revenue is net of Goods and Service Tax. No element of significant financing is present as the sales are made with a credit term, which is consistent with market practice.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

**j) Foreign currencies**

The Company's financial statements are presented in Indian Rupees, which is also its functional currency.

**Transactions and balances**

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rate of exchange at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

**k) Income Taxes**

**Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date.

Current tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets is offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised for all the taxable temporary differences.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**l) Employee benefit**

**Short-term benefits**

Short-term employee benefits are expensed in the year in which the related services are provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**Defined contribution plans**

Retirement benefit in the form of provident fund are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

**Defined benefits plans**

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. Gratuity is a defined benefit obligation.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method at each reporting date. In respect of post-retirement benefit re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to statement of profit or loss in subsequent periods.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

**Other long-term benefits**

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date. Actuarial gains/ losses on the compensated absences are immediately taken to the statement of profit and loss and are not deferred. The obligation is measured on the basis of independent actuarial valuation using project unit credit method at each reporting date.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

**m) Provisions, contingent liabilities and contingent assets**

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in other notes to financial statements.

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

**n) Earnings per share**

Basic earnings per equity share is computed by dividing net profit or loss for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all periods presented is adjusted for events, such as bonus shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

**o) Cash and cash equivalents**

Cash and cash equivalent comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, overdraft are included in cash and cash equivalents.

**p) Fair value measurement**

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

**Level 1 inputs** are quoted prices /net asset value (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;

**Level 2 inputs** are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

**Level 3 inputs** are unobservable inputs for the asset or liability.

**q) Government grant**

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants related to income under State Investment Promotion Scheme linked with Goods & Services Tax (GST) payment, are recognised in the Statement of Profit and Loss on the event they become receivable.

Government grants that compensate the Company for expenses incurred are recognised in the Statement of Profit and Loss, as income or deduction from the relevant expense, on a systematic basis in the periods in which the expense is recognised.

**KANODIA CEM PRIVATE LIMITED**

Notes annexed to and forming part of the financial statements for the year ended March 31, 2025

Government grant relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a systematic basis over the expected lives of the related assets to match them with the cost for which they are intended to compensate and presented within other income.

**r) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the Company in a single operating segment and geographical segment.

**s) Financial instruments**

**Initial recognition and measurement**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument. Financial instrument (except trade receivables) are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Trade receivables are measured at their transaction price unless it contains a significant financing component in accordance with Ind AS 115 for pricing adjustments embedded in the contract. Subsequent measurement of financial assets and financial liabilities is described below:

**Non-derivative financial assets**

**Subsequent measurement**

**i. Financial assets carried at amortised cost**

A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

**ii. Financial assets at fair value through Profit & Loss (FVTPL)**

Financial assets, which does not meet the criteria for categorization as at amortized cost or as FVOCI, are classified as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

**Impairment of financial assets**

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company's trade receivables do not contain a significant financing component and as per simplified approach, loss allowances on trade receivables are measured using provision matrix at an amount equal to lifetime expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in the Statement of Profit and Loss.

**De-recognition of financial assets:** A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

**Non-derivative financial liabilities**

**Subsequent measurement:** Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

**De-recognition of financial liabilities:** A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**Offsetting of financial instruments:** Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**t) Standards issued but not yet effective**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

The unbilled trade receivable as on March 31, 2025 and March 31, 2024 is Rs. 40.93 Lakhs. and Rs. 152.66 Lakhs respectively.

The company applies the Simplified Approach under Ind AS 109 to measure Expected Credit Losses (ECL) on trade receivables and other financial assets.

Based on the company's historical experience, credit evaluation of customers, trade practice of receiving advance from customers and consideration of current and forward-looking information, the company has determined that the expected credit loss for these financial assets is insignificant as at the 31 March 2025. Accordingly, no loss allowance has been recognised in the financial statements.

The company continues to assess the creditworthiness of its customers and monitors credit risk on an ongoing basis. All trade receivables are considered to be in Stage 1 and have low credit risk.

**9 Cash and Cash Equivalents**

**34 Employee benefits**

**(i) Defined Contribution Plans:**

The Company makes contributions, determined as a specified percentage of employee's salaries, in respect of qualifying employees towards Provident Fund which is a defined contribution plan. The contributions are charged to the Statement of Profit and Loss as they accrue. The amount recognised as an expense towards such contribution to Provident Fund for the year is included in "Employee benefits expense".

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Contribution to Provident Funds	3.94	0.94

**(ii) Defined Benefit Plan:**

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service, upto a maximum limit of Rs. 20 lakhs. The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2025. The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

**A. Movement in net defined benefit (asset)/liability**

The following table shows a reconciliation from the opening balances to the closing balances for net defined benefit (asset)/liability and its components:

Particulars	March 31, 2025			March 31, 2024		
	Defined benefit obligation	Fair value of plan assets	Net defined benefit (asset)/liability	Defined benefit obligation	Fair value of plan assets	Net defined benefit (asset)/liability

					<b>2.83</b>

**B. Plan assets**

Particulars	March 31, 2025	March 31, 2024
Fund managed by insurer	0%	0%
	0%	0%

**C. Actuarial assumptions**

The Principal actuarial assumptions considered in the valuation were :

	March 31, 2025	March 31, 2024
Discount rate	6.79% p.a.	7.21% p.a.
Expected rate of future salary increase	8.00% p.a.	8.00% p.a.
Withdrawal/ Attrition rate	5.00% p.a.	5.00% p.a.
Average remaining working life of the employees(years)	24.58 years	20.90 years
Mortality	100% of IALM 2012-14	100% of IALM 2012-14

Assumptions regarding future mortality have been based on published statistics and mortality tables.

The estimates of the future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors.

**D. Sensitivity analysis**

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	March 31, 2025		March 31, 2024	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	-0.41	0.45	-0.19	0.21
Expected rate of future salary increase (1% movement)	0.92	-0.78	0.43	-0.36
Expected rate of withdrawal (5%)	-0.87	1.35	-0.38	0.55

Sensitivity due to mortality is insignificant, hence ignored. Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

**KANODIA CEM PRIVATE LIMITED**

Notes to financial statements for the year ended March 31, 2025

(All amounts in rupees lakhs, unless otherwise stated)

**E. Description of Risk Exposures:**

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow -

- A) Salary Increases- Higher than expected increase in salary will increase the defined benefit obligation.
- B) Investment Risk – Assets / liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability / Assets.
- C) Discount Rate - Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D) Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that includes mortality, withdrawals, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the employee benefit of a short career employee typically costs less per year as compared to a long service employee.

**F. Maturity of Defined Benefit Obligation**

Particulars	As at March 31, 2025	As at March 31, 2024
Year 1	0.11	0.03
Year 2	0.11	0.06
Year 3	0.18	0.07
Year 4	0.23	0.11
Year 5	0.33	0.16
After 5th year	17.99	9.14

**B. Fair value hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are:

- (a) recognised and measured at fair value and
- (b) measured at amortised cost.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

**Financial assets and liabilities measured at fair value - recurring fair value measurements**

Investments				
Non Current	-	-	-	-
Current	-	-	-	-
Investments				
Non Current	-	-	-	-
<b>Total financial assets</b>				

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value is valued using the closing price as at the reporting period.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example- mutual funds, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities. Similarly, unquoted instruments where most recent information to measure fair value is insufficient or if there is a wide range of possible fair value measurements, cost has been considered as best estimate of fair value. There are no transfers between level 1 and level 2 during the year.

**C. Financial assets and liabilities measured at amortised cost**

Particulars	Level	As at March 31, 2025		As at March 31, 2024	
		Carrying Amount	Fair Value	Carrying Amount	Fair Value
<b>Financial assets</b>					
Loans					
Non Current	3	-	-	-	-
Current	3	-	-	-	-

Cash and cash equivalents	3	36.86	36.86	38.15	38.15
Bank balances other than above	3	402.04	402.04	29.74	29.74
Others					
Non Current	3	137.70	137.70	179.24	179.24
Current	3	3,186.27	3,186.27	1,229.17	1,229.17
		<b>3,821.80</b>	<b>3,821.80</b>	<b>2,630.89</b>	<b>2,630.89</b>
<b>Financial liabilities</b>					
Borrowings					
Non current	3	6,491.43	-	15,178.65	15,178.65
Current	3	3,000.00	-	114.48	114.48
Lease Liability					
Non current	3	-	-	-	-
Current	3	-	-	-	-
Trade payables - current	3	1,507.45	1,507.45	2,142.65	2,142.65
Other Financial Liability					
Non current	3	-	-	-	-
Current	3	185.95	185.95	253.86	253.86
		<b>11,184.83</b>	<b>1,693.40</b>	<b>17,689.64</b>	<b>17,689.64</b>

The fair value of current financial assets and liabilities carried at amortised cost is considered equal to the carrying amounts of these items due to their short-term nature. The fair value of items that are Non-current in nature, has been determined using discounted cash flow basis.

**KANODIA CEM PRIVATE LIMITED**

Notes to financial statements for the year ended March 31, 2025

(All amounts in rupees lakhs, unless otherwise stated)

**II. Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- credit risk;
- liquidity risk

**I. Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to control risks through defined framework.

The Company's risk management policy is established to identify and analyse the risks faced by the Company, to set appropriate controls. Risk management policy is reviewed by the board annually to reflect changes in market conditions and the Company's activities.

The Company's Board of Directors oversees compliance with the Company's risk management policy, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board of Directors is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board of Directors.

**a. Credit risk**

Financial loss to the Company, arising, if a customer or counterparty to a financial instrument fails to meet its contractual obligations principally from the Company's receivables from customers and investment in debt securities.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitors credit risk closely in domestic market.

**Trade receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Sales credit limit are set up for each customer and reviewed periodically. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank reference checks are also done.

The Company creates allowances for impairment that represents its expected credit losses in respect of trade receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

**Cash & Cash Equivalent**

Credit Risk on cash and cash equivalent, deposits with the banks is generally low as the said deposits have been made with the banks who have been assigned high credit rating by international and domestic rating agencies.

**b. Liquidity risk**

Liquidity risk is the risk that the Company may face difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to ensure, as far as possible, sufficient liquidity to meet its obligations, under both normal and stressed conditions.

Prudent liquidity risk management implies maintaining sufficient cash.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected future cash flows.

**Maturities of financial liabilities**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and exclude contractual interest payments and the impact of netting agreements.
